

The Spirit of the risen Jesus appeals to us:

*“The time is now! The place is here! You are the people!
This is my invitation to you.*

*Come follow me to the edge, into the deeper and wider dimensions of
Living
that you may discover the God who awaits you.
It is at the very heart of existence that you will find life at its fulness.*

*I came to bring Life and I wish you to live it to the full, and to carry it to
the very edge of the Universe.*

*Enter into the core of your being, into your stories.
You know me in your stories, in your living traditions
and in your deepest moments of joy and pain.*

*Have courage.
Let go the chains with which you would bind me.*

*I am awaiting for you beyond the boundaries,
your concepts, your understandings.
I walk with you in the places of the heart beyond your wildest imaginings.
I am the source, your energy, your passion.*

*Fly free as the courageous did before you to new horizons, to the
unknown, the not-yet-imagined.*

*Throw open your windows and let the fresh air in...
Open wide your shutters and allow me to inflame you.*

*Dare to enter my Mystery and become hope for all children and the
people you encounter on your journey.*

*Risk being different!
Risk leaping and falling!*

*Remember, falling is the privilege of the living and even as you encounter
loss, fear, despair and death, know that I have been there before you and
will be with you always.*

*Trust me.
Dare to be my disciples.
In you I am doing something new.”*
