

Seasons of the Heart

A Prayer for Growth

Lord may what is dead within fall away and prepare us for new growth.
In the autumns of our lives may the colours, hues and tones of your wisdom
shine through us and dazzle us.
In your great love we place our trust O Lord;
in your great love we place our trust.

*Lord may the many wonders that are asleep within us be prepared for awakening.
In the winters of our lives may what is frozen hard within our hearts be softened
with forgiveness and truly healed and cleansed.
In your great love we place our trust O Lord;
in your great love we place our trust.*

Lord may we embrace the gifts of new life with which you surround us daily.
In each new springtime that you offer us may we be renewed afresh and
awakened to boundless possibility.
In your great love we place our trust O Lord;
in your great love we place our trust.

*Lord may we be filled with your joy and with the exuberance
and abundance of your love.
In the summers of our fruitfulness and transformation may we be
humbled to be a channel for your gifts to others.
In your great love we place our trust O Lord;
in your great love we place our trust.*
